Sir,

Adverting to your Memo No.1771 dated the 11th August 1943 forwarding in original, the letter No 11/7-43 dated the 1st August 1943 from the President, Chitaldrug Town Municipal Council, re the acquisition of certain lands in Agasanakal village, for the ~~xxxxxxx~~ formation of an extension in Chitaldrug town, I have the honour to state that, on a communication made from this office to the Revenue Commissioner in the matter of waiving the conversion fine on an extent of 77 acres and 13 guntas required for the extension, Government have ordered in No R 502/L R 226-42-7 dated 29th July 1943 that the recovery of the fine from the Municipality cannot be waived as the entire amount is due to the Jodidar of Agasanakal village The extent proposed to be acquired is 77 acres and 13 guntas and the conversion fine calculated at the minimum rate of Rs 1,000/- per acre will work out to Rs 77,325/- and the acquisition charges will come up to Rs 20.000/- roughly. If the Municipality is anxious to have the entire extent, it must find means to spend nearly a lakh of rupees I am afraid the Municipality in its present financial condition will not be able to meet such a heavy expenditure. Moreover, such a big extent of 77 acres and 13 guntas may not be required by the Municipality and I therefore propose suggesting to the Municipality to acquire so much of the land as is now occupied by the buildings on the left of Chitaldrug-Holalkere road and about 300 feet by one or two furlongs on the right side of the above road of Agasanakal village for the formation of an extension, which may be adequate f the present requirements About 200 bungalow sites could be forme

Respected Sir,

I beg to state that a request has been made by the Municipal Council, Chitaldrug to acquire 77½ acres of land pertaining to Agasanakal Inam Village in order to meet an extension of this to n Correspondence is going on for the last two years regarding this acquisition This area of land to be acquired is within the Municipal Limits as defined by the Government Notification No L 2098/1 L 63-23-10 dated 11-9-1924

While such is the state of affairs, a few local men have purchased plots out of these lands to be acquired at inflated prices from the Jodidar though the sale price paid is exceedingly low compared with that mentioned in the document and have hurriedly begun to construct houses without license from the Municipality

The Municipal Regulation under section 109 contemplates a license from the Municipality as a condition precedent for effecting construction They have not obtained the license, have flouted the authority Hence prosecutions were launched against them and they have been convicted Inspite of it they insist in furthering work though warned and notice issued to desist from such procedure Unheeding this, they want to persist in the matter Municipality is taking further action against them under the Municipal Regulation The matter is urgent and requires drastic action as the purchasers are recalcitrant and are going on with the work I request that the acquisition proceedings be expedited.

When I was last time at Bangalore, I was not able to meet the Minister as he was busy then I personally represented to you that the question of acquisition of Lands of Ajjasankal Village on both Sides of the road of Chitaldrug-Holalkere as recommended by the Deputy Commissioner and approved by the Government and ultimately accepted by the Municipality and formal resolution submitted, be early placed before the Hon' able Minister and his sanction be obtained

This matter requires urgent attention as the sale of sites for houses is likely to fetch good price at this time I request you to be kind enough to submit all the papers to the Hon' able Minister for his favourable consideration and speedy disposal

Sub Acquisition of land in Jodi Agasanakal village, for the formation of an ex- - tension in Chitaldrug Town

With reference to your D O Letter No.L.1113, dated the 2nd instant requesting me to furnish the report called for on the above subject, I have the honour to state that the Amildar of Chitaldrug Taluk, reports that the total extent required for the formation of an extension, would be about 29 acres 22 guntas and that the cost of acquiring the said extent would be approximately Rs.64,466/- He has sent the records to the President, of Chitaldrug Town Municipal Council, for furnishing the opinion of the Council, with regard to meeting of the cost of acquisition

As per budget estimates of the Municipality for the current year (sent to Government for approval with this Office letter No A6 69/43-44, dated the 30th ultimo), the Council expect to have hardly a closing balance of Rs 16,700/- at the end of the year 1944-45 and I am afraid the Municipality cannot, in its present financial condition, think of finding ways and means to acquire the properties in question, in Agasanakal village, except by asking for a suitable loan I have asked the President of the Municipal Council, to place the subject before the Council at its next meeting and insimate to me its decision on the subject.

On receipt of the resolution of the Council, in this behalf, I shall send a final reply to Government.

Sir,

Subject. Prohibition of the construction of buildings in Jodi Agasanakal village, Chitaldrug

In forwarding herewith a copy of letter received from the President of Chitaldrug Town Municipality on the above subject, I have the honour to state that there is a proposal by the Chitaldrug town Municipal to acquire a certain extent of land out of Jodi Agasanakal village, for the formation of an extension to the town The question of finding ways and means of providing funds for the acquisition of the extent required by the Municipality ~~are~~ is being separately dealt with and a communication will be made to Government in the matter

In the meanwhile the president reports that the Jodidars has sold some sites in the village to private persons and that they are constructing houses indiscrmiately in the absence of a proper lay-out plan As this would eventually be very prejudicial to the formation of an extension of the Town, the Municipal Council at its meeting convened on the 31st July 1944, has resolved that Government may be requested to prevent the indiscrimate construction of buildings in an extent of 77 acres and 13 guntas comprising S Nos 3,4,6 and 15 to 19 of Jodi Agasankal village and that a notification under section 110 of the Town Municipalities Act, may be issued prohibiting the construction of any building in the above mentioned Survey numbers except by permission granted by Government

I have inspected the locality in question and have found that attempts are being made for the construction of buildings indiscriminately as reported by the President I therefore request that Government may be pleased to issue a notification under section 110 of the Town Municipalties Act

A copy of the resolution of the Council is herein enclosed

Subject Acquisition of No.6,4,3,19,18,15,16 and 17 of Agasanakal Jodi Village about 77 acres for formation of "Sree Jayachamarajaendra Extension"

Sir,

In submitting herewith an extract of resolution No 16 passed by the Municipal Council at their geneal body meeting held on 31st July 1944 I have the honour to state as follows

The question of acquisition of nearly 77 acres of land from out of the Agasanakal Jodi Village is pending for a long time Representations were made on behalf of the Municipal Council, to the Dewan and to late His Highness The Maharaja of Mysore to waive the coversion fine of nearly Rs 77,000 The Late His Highness during his tour in this District in July 1942 in reply to an address presented by this Council was pleased to promise that the Government would deal sympathetically with the request of the Muncipality. But the Governmer t however ordered in No.R 502-LR 226-42-7 dated 29th July 1943 that the revovery of the conversion fine from the Municipality cannot be waived as the entire amount of fine will have to paid to the Jodidar of Agasana-kallu villa-ge.

Thereupon the Deputy Commissioner, Chitaldrug District Chitaldrug in his letter No A6 PR. 34/43-44 date 1st Sept. 1943 wrote the Government that nearly a lakh of rupees will be required for aquiring the entire area of 77 acres, and that the resources of the Municipality are not surficeint to meet this heavy expenditure and that therefore so much of the land as is now occupied by the buildings on the left side of the Chitaldrug and Holalkere Road and about 300 feet by one of two furlongs on the right side of the above road may at first be acquired The Government in their letter No. L 3128-M1 -18-43-2 dated 10th Sept. 1943 have agreed to the avove proposal

The Municipal Counil passed a resolution at their meeting held on 5th Nov. 1943 that as per suggestion of the Deputy Commissioner

stated above so much of the land as is now occupied by the buildings on the left side of Chitaldrug-Holalkere Road and about 380 feet by one or two furlongs on the right side of the above road may at first be aquired, and further position of the above land may be given to the Municipality pending aquisitioon. A copy of above proceedings together with a sketch of the land to be acquired has been submitted to the Deputy Commissioner with this office No. H C.28/43-44 dated 16-11-43 for immediate needful and the question of acquisition is pending in the Revenue Department.

In the meanwhile the Jodidar has sold some building sites in these survey numbers to private persons and they are trying to build unauthorised constructions in this area. Some of them applied for license to this municipality. The Council refused to issue license on the ground that the whole plot is pending acquisition and some of them flouted the authority of the Council and began to build new constructions. Prosectutions were launched against such persons and they were convicted. Still some of them persist in the constructing new buildings and action has to be taken to prevent further construction in each and everycase. To prevent such indescriminate construction of housed it is very necessary that Government should come to our aid and under section 110 of the Town Municipal Act VIII of 1933 as amended by Acts II and IV of the 1938 prohibit by notification published in the official Gazette the erection of any building within the 77 acres of land proposed to be acquired, expept with the permission granted by the Government.

An extract of resolution No.16 passed by Council on 31st July 1944 together with a sketch of the area are herewith enclosed for kind perusal and further needful action in the matter. The matter may kindly be treated as urgent.

I have the honour to be,

Secty Law

Up 2 cut motion no 42 by Mr H Sheemappa Naik

regarding making up a free grant of Rs 50,0.
to the chittaloor Town Mallies for acquiring
land in Jodi Agrasanakal village

The file in the subject is put up
the chittaloor Town Mal el have proposed
to acquire 77 acres and 13 guntas of land
out of Agrasanakal village which is
an Inam one govt have ordered the
resurvey of conversion free from the ryot
at the rate of Rs 1000/- per acre This
would work out to Rs 77,325/- being the
conversion fee plus a sum of Rs 20,000/-
towards acquisition charges The D e
states that of the ryot is anxious to
layout the extension, it must spend
nearly a lakh of rupees The request
of the Mal el for waiving the amount
was not agreed by govt The D e suggest
that, if as in its present financial
condition The Mal el would not be able
to meet such a heavy expenditure
only as much portion of the land
is now occupied by the buildings in the

left of chittaloor Holalkere road and about 300 ft by one or two furlongs on the right side of the above road of Agrasandal village may be acquired for the formation of the extension, as it would be quite inadequate for the purpose He considers that there is no immediate danger for many sites at present in a small Town like chitaldroog This suggestion has been approved by govt and the D C has been requested to inform the President of the Mal el accordingly

There is no request from the Mal el for the grant of any contribution by govt towards the acquisition of these lands

Further, it will be profitable to the Mal el to acquire the land, to layout into sites and to sell them in public auction as the Mal el can recoup the amount at least, if it cannot make a profit out of the transaction There, does not appear to be any necessity for the govt to give any contribution on the behalf of the chitaldroog Municipal
